

1. Asignación de roles

ID: REQ004

Se debe tener un apartado donde se le asignen los roles a los usuarios:

1. Aprendiz
2. Usuario SENA
3. Instructor
4. Coordinador

2. Datos obligatorios

ID: REQ002

Los datos que son fundamentales para el registro, identificación reconocimiento y comunicación son:

1. documento.
2. nombre
3. apellido
4. email

3. Emails únicos

ID: REQ003

Los correo de las personas registradas deben ser únicos por cada usuario.

4. Registro de usuarios

ID: REQ001

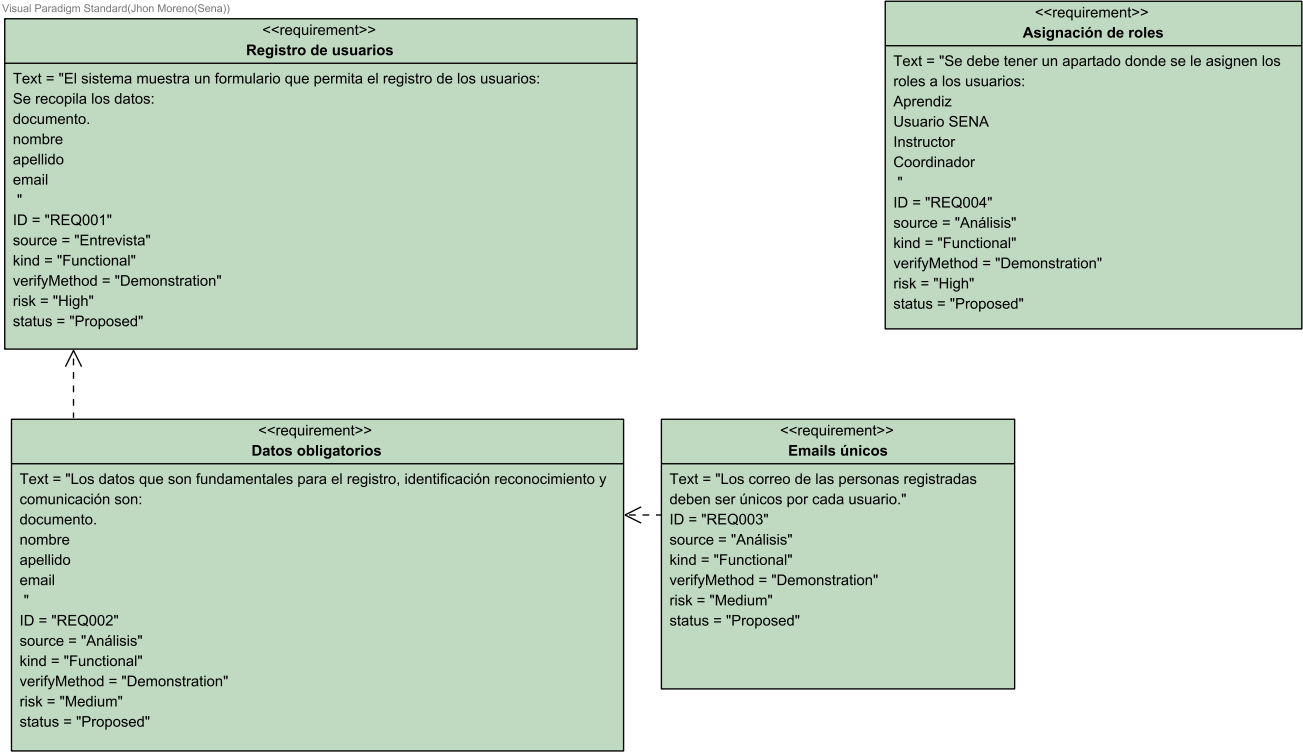

El sistema muestra un formulario que permita el registro de los usuarios:

Se recopila los datos:

1. documento.
2. nombre
3. apellido
4. email

5. Roles
